Secret Sauce, Big Success

The Ahmad Al-Abdalla Story

Lebanon 1987

Ahmad Al'Abdalla Chicken®

Way back in 1987, a small restaurant with a big flavor opened its doors in Adshit, Nabatieh. With a secret sauce mix that left taste buds clucking with delight, Ahmad Al-Abdalla took flight, quickly becoming the talk of the town. And let's just say, we haven't looked back since.

Our perfectly charcoal-grilled chicken and signature sauce combo left locals beaming with approval, and before we knew it, Ahmad Al-Abdalla Chicken was expanding like a well-fed rooster, hatching branches all over Lebanon and abroad.

Our passion for traditional Lebanese cuisine and the art of charcoal grilling has fueled our growth, allowing us to spread our wings beyond Lebanon and into many other countries. Today, we continue to deliver the same mouth-watering dishes to our patrons worldwide, always reflecting our Lebanese roots and commitment to quality.

Fresh Look

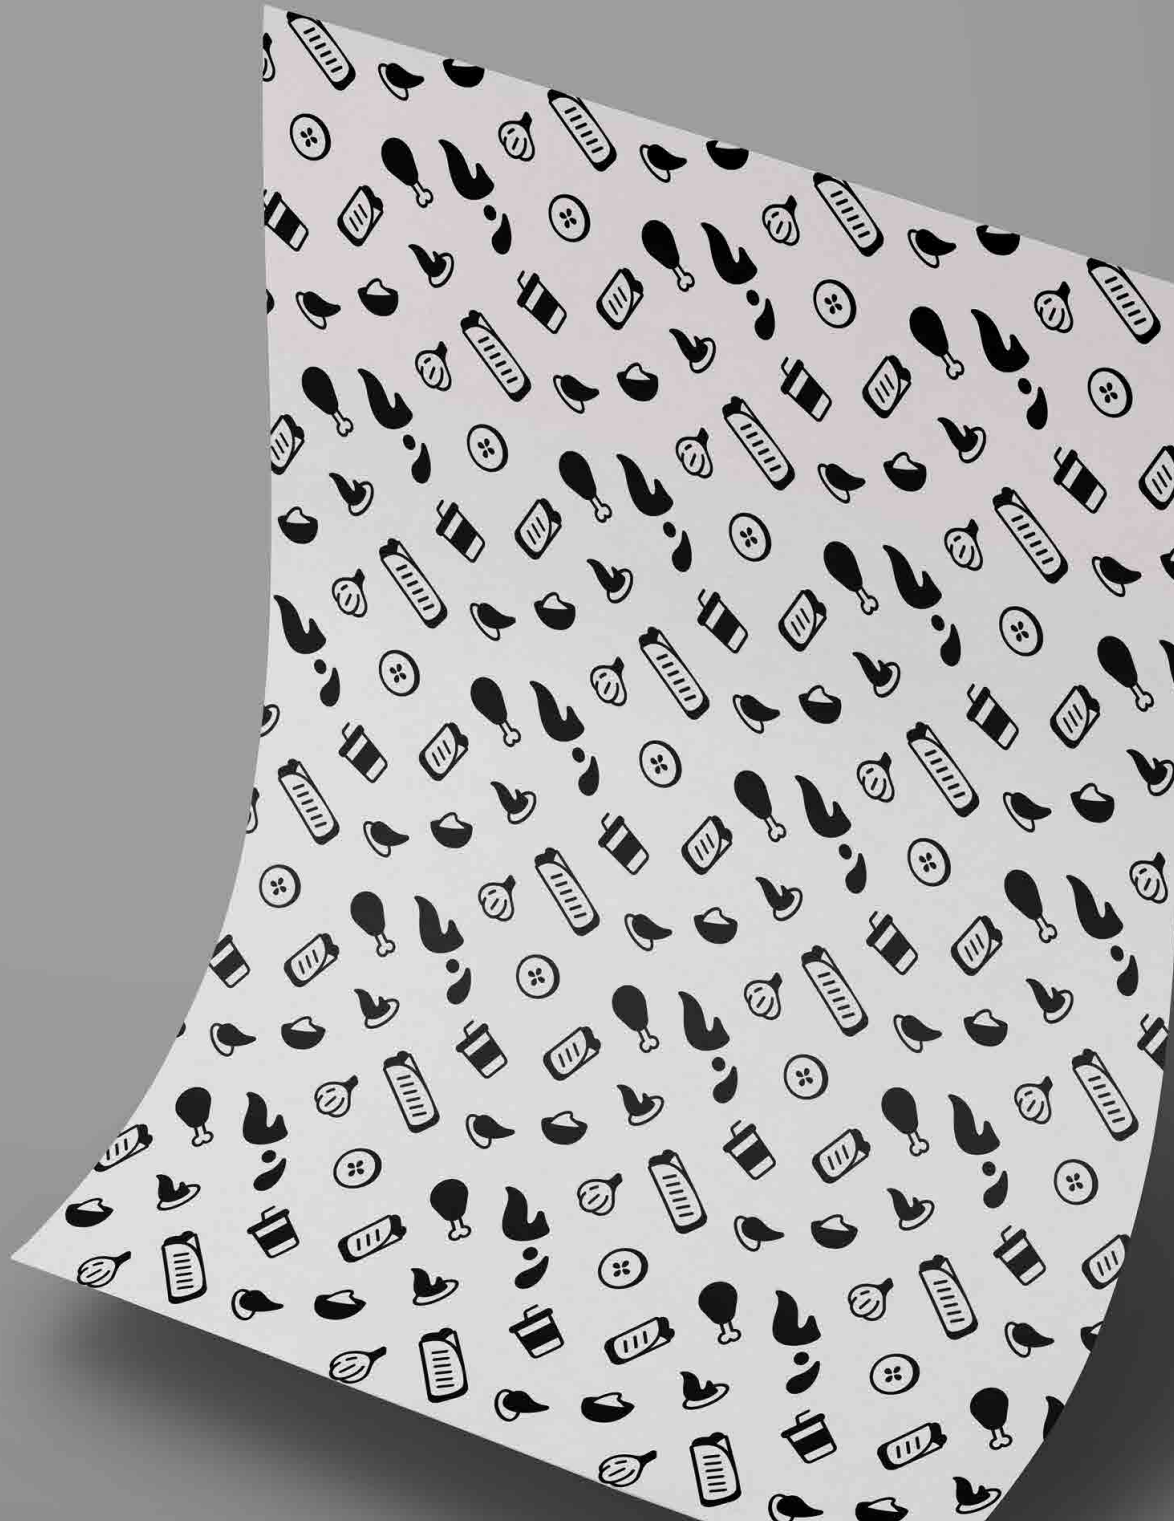

Embarking on a new chapter, we knew that as our company grows, our identity and visual language should evolve as well.

But, one thing we were sure of - the taste and pleasure of our handmade delights must remain authentic and unchanged. Hence, we carefully crafted a new look for our restaurants, incorporating proportional lines, balanced dimensions, and harmonious colors that reflect our commitment to quality and excellence.

Our kitchen was expanded, new sections were added, and our overall layout was revamped to reflect the modernity and sophistication of our brand.

New Brand Identity

As we began our new journey as Ahmad Al-Abdalla Chicken, managed by our mother company Farouj Ahmad Al-Abdalla, we knew that maintaining the authenticity of our flavors was crucial while creating our new brand identity. Ensuring high standards of food safety and quality has always been our top priority, and our efforts to achieve industry-recognized certifications are a testament to our commitment to this goal. Our aim is to continue to delight the Lebanese market and reach every corner of the country. And, as we set our sights on global expansion, we are confident that our commitment to delivering the best taste and pleasure of our delicious dishes will remain unchanged.
